Our Mission

To help you or loved one lead a dignified, independent lifestyle in the comfort and safety of their own home, by carefully assessing and fully understanding their individual needs and selectively placing well trained, compassionate caregivers to meet these needs.

Our Services

Through Home Care Advantage, you or your loved one now have the opportunity to receive the type of care and services that you deserve in a respectful and attentive manner. Home Care Advantage takes the tried and true approach to care that puts emphasis on compassion, sensitivity and open communications with you or your loved one. Be assured that our caregivers are competent in providing all of the following services in a manner that brings peace of mind and healing to the soul.

Personal Care Services

Our Personal Caregivers offer assistance to clients, who have experienced a loss in their ability to perform the activities of daily living (ADLs). They will provide assistance with laundry, prepare nutritious and delicious meals, light housekeeping and shopping. Escort clients to medical appointments and social events. Duties include;

- ✧ Bathing, personal grooming and oral hygiene
- ✧ Assistance with feeding
- ✧ Incontinence care
- ✧ Medication reminders & compliance
- ✧ Mobility assistance

Companion Care Services

Our Companion Caregivers prevent the isolation often felt by seniors living alone and function as support which allows you or your aging parent to remain at home for as long as you or they want to be and are able.

The goal for our Companion Caregivers is to assure our client's safety, health and general well-being by providing friendship and supervision if needed, and by promoting social interaction. In addition, our companion caregivers respect our clients' individual rights, strengths, weaknesses, preferences, differences and values. Services may include;

- ✧ Discussion current news and local events
- ✧ Accompany our clients to functions
- ✧ Assist with walks, visit friends and neighbors

- ✧ Play board games, cards or assist with hobbies and computer use
- ✧ Prepare written correspondence and assist with reading
- ✧ Remind clients to take medication, avoiding over or under use of prescriptions

Homemaker Services

Our Homemakers offer practical assistance with routine household tasks that will enable our clients to remain in a safe, clean and healthy home environment. Homemaking services may include:

- ✧ General household cleaning
- ✧ Planning and preparing meals
- ✧ Shopping for groceries or other items
- ✧ Laundry, ironing and changing bed linens
- ✧ Escorting or transporting clients to medical facilities, errands, shopping and outings
- ✧ Medication reminders and Rx pick-up

Live-in/24 Hour Care Services

For those who are in need of around the clock care at home or in an assisted living residence. Our live-in caregivers provide 24-hour services, seven days a week for as long or short a term as you need.

Respite Care Services

Respite care offers family caregivers temporary relief from caring for individuals, an essential part of an overall home care support strategy.
